

GMNI'S EUROPEAN REGION ANNOUNCES A NEW MEMBER IN PORTUGAL

We are delighted
to welcome
AContar, Lda
in Porto to our
membership

AContar, Lda ('AContar') was formed at the beginning of 2017. The firm was established to provide high quality professional services, using the long experience of both partners. Its main office is located in Porto but it also has a branch office in Lisbon. The firm places great emphasis on the use of leading technology in their processes, which are designed to be simple, efficient and reliable for their clients.

The firm has two partners, Álvaro Castro and Sandra Teixeira (pictured right), who are responsible for the firm's management. Both are members of the Portuguese Chartered Accountants Association ('Ordem dos Contabilistas Certificados') and they have been working together for more than 20 years in senior-level positions in Portuguese companies operating worldwide.

The core services provided by AContar are:

- Accounting and Bookkeeping
- Payroll
- Business Process outsourcing
- Tax planning & compliance
- Management consulting services
- Design and assessment of internal processes and internal control systems
- Corporate finance (business evaluations, M&A, restructuring, liquidations, etc)
- Due diligence

The firm's clients, who are spread throughout Portugal, are in industries including agriculture, construction and engineering, hospitality & leisure, insurance, information technologies (IT), manufacturing, professional services, real estate, renewable energy, retail and wholesale, etc. Most of the firm's clients are foreign-owned and private enterprises.
