

GMNI ADDS A NEW MEMBER IN SWITZERLAND

 GMNI is pleased to welcome MWP Treuhand AG to our European region

MWP Treuhand AG (MWP) was established in November 2015 by Carla Wernli-Crameri. Markus Madörin joined the company in November 2016 and today is the firm's Managing Partner. Both have more than 20 years of accountancy and consulting experience.

An harmonious and well-connected team, they strive for outstanding technical expertise and reliability as well as high quality and client awareness. Their client- and solution-based approach, combined with their congenial, uncomplicated and coherent manner, makes them the perfect partner for their clients, providing them with comprehensive, precise and tailor-made fiduciary services.

The firm's main office is located in Altendorf (Canton Schwyz) a short distance from Zurich, in addition to which it has branch offices in Zug and Zurich itself that provide the same services.

All members of the team at MWP are very experienced, having been working in their field for a long time.

The core services provided by MWP Treuhand are:

- Bookkeeping / preparation of Financial Statements
- Tax advice for natural & legal entities
- VAT Advice
- Human resources / Payroll
- Succession / pension planning
- Start-up support

The firm's clients, who are spread throughout Switzerland, are in industry, real estate, manufacturing, retail, asset management. Typically these are family owned businesses.
