

GMNI WELCOMES A FURTHER MEMBER IN CHINA

We are delighted to announce that
Oriental Star Consulting (Shanghai) Co. Ltd.
has joined our Asia Pacific region.

Oriental Star Consulting (“Ostar”) was established in July 2021. Located in Shanghai, China, the firm has three partners: James Lin, Xuting You and Grace Jin.

All three have an in-depth knowledge of the professional service industry for China inbound and outbound business.

They each worked for big four accounting firms, multi-national corporations and professional service companies, and they are CPA China / CPA Australia certified.

Ostar provides company secretarial services in China and overseas including company formation and liquidation, and business services including bookkeeping, tax service, payroll etc. The firm also provides compliance services for cross-border investment e.g. overseas direct investment (“ODI”) filing. Its consulting business is focused on digitalization consulting including business intelligence, robotic process automation (“RPA”), business process improvement consulting, shared service centre strategy and set-up. Ostar’s clients are spread across various industries but are mainly in healthcare, hospitality and tourism, retail and wholesale, real estate, and financial services.

GMNI very much looks forward to working with James and his team.
