## GMN EUROPE ADDS A FURTHER MEMBER IN ITALY

GMNI is pleased to welcome Studio Sturaro Ammendola & Associati to our association.

Based in Milan, the firm has been active since the early 2000s and counts on the expertise of 15 highly qualified accountants, tax lawyers and payroll consultants. They provide UpToDate services in day-to-day company management (bookkeeping, tax compliance, auditing and advisory) as well as in more complex issues (targeted acquisitions, investment funding, business appraisals and restructuring and wealth planning), as well as offering assistance in corporate and tax law.

The firm's clients vary from Italian and international companies, groups and JVs to individuals, expatriates, trusts and not-for-profit organisations.

Our two main contacts at Studio Sturaro Ammendola are founding partners David Sturaro (pictured above left) and Roberto Ammendola (pictured above right). David started his career as a tax advisor and Chartered Accountant almost 30 years ago and his expertise ranges from business management, consulting and auditing services to tax consultancy, tax compliance and litigation. The main business sectors he is involved in are industry, ICT and digital transformation, energy, chemical, engineering and construction, finance, sport and entertainment.

After obtaining his bachelor's degree in business administration and international tax law at Milan Bocconi University, Roberto joined the firm as its expert in tax consultancy and company law consultancy as well as being responsible for administrative and auditing services for international companies and groups based in Italy. Roberto's expertise focuses on a wide array of business from public utilities services (water, waste, transport) to pharmaceutical, tourism, international art market, not-for-profit and trusts.

David can be contacted at [david.sturaro@ssaass.it](mailto:david.sturaro@ssaass.it) and Roberto at [roberto.ammendola@ssaass.it](mailto:roberto.ammendola@ssaass.it), or they can be reached by phone on +39 02 7208 0602. You can find out more about their firm by visiting their website [www.ssaass.it](http://www.ssaass.it).

We very much look forward to building a long and successful working relationship with Studio Sturaro Ammendola.
